Q6) Describe the qualities needed for effective writing process.

SECTION-C

Q7) Write a paragraph on “*English language*” or “*The art of conversation*”.

Q8) Read the following paragraph and answer the questions that follow :

If I were a millionaire with endless wealth, I would get all the comforts that money can buy. A poor man like me with a hard life of toil can only wish for an escape from hardship. If I were a millionaire, I would not work to earn my bread. The most delicious dishes would be on my table. I would not worry about my dress, for the best dresses of the world would be mine. I would live in the finest palace. Many servants would wait on me day and night. The first desire of a poor man like me is to get all these physical comforts which no poor man can enjoy.

Habituated to my millions and comforts, I would think of a useful life. First of all, I would buy all the valuable books of the world. I would build up a fine library. My library would be open to all. Secondly, I would invest a huge sum of money in research work in medicine. I want that medicines should be found to cure leprosy and cancer. I would build a huge hospital for poor patients. If I had millions, I would have started a school and a college where students could get free education. I would have ensured that the best kind of education was imparted there. If I were a millionaire, I would travel a lot. I would see all kinds of people and discuss life with them.

Questions :

- a. What are the comforts that the author talks about which money can buy?
- b. How would the author make his life useful?
- c. How does the author want to contribute to the field of medicine?
- d. How does the author want to contribute to education?
- e. What are the benefits of travelling?

Q9). Write an essay on “*The national integrity of India*”.
